Letter of Recommendation

I am pleased to write this letter of recommendation for Mr. Manoj Basnet, a distinguished media personality from Nepal. He currently serves as the General Manager of Annapurna Media House, one of the largest and most influential media organizations in Nepal. Having known Manoj for a significant period, I can attest to his exceptional work ethic, unwavering commitment, and outstanding public relations skills.

Throughout our acquaintance, Manoj has demonstrated a deep understanding of various aspects of the media industry, particularly regarding the geopolitical landscape of Nepal and its surrounding regions. His ability to provide insightful analysis and valuable information on these topics is truly commendable.

Beyond his professional expertise, Manoj is widely respected for his approachability and strong rapport within the community. His willingness to engage with others and share his knowledge reflects his dedication to fostering meaningful connections and making a positive impact on the media landscape.

I have no doubt that Manoj will continue to excel in his career, both in Nepal and beyond. It is with great enthusiasm that I endorse him for any opportunities that may arise, knowing that he will undoubtedly rise to the occasion and exceed expectations.

Warm regards,

Dr. Tulsi Dharel
